**RESPONSE TO MOTION OF BARREN RIVER DEVELOPMENT
COUNCIL TO FILE WRITTEN COMMENTS**

The Warren County Water District, by counsel, for its response to the motion of Barren River Development Council to file written comments, states as follows:

1. Barren River Development Council sought intervention in this proceeding on November 14, 2003.
2. In its response to the motion, the Warren County Water District expressed its concern that the intervention by BRDC would delay resolution of this proceeding unnecessarily.
3. In its reply, BRDC argued that its intervention would not delay this proceeding. The intervention was permitted on November 18, 2003.
4. On December 16, 2003, BRDC untimely requested a formal hearing. The following day, BRDC then sought leave to file written comments. BRDC has had four weeks within which to file written comments and has failed to do so. Its request at this late hour will unduly delay the resolution of this proceeding.

The Warren County Water District requests that the BRDC request for leave to file written comments be denied.

DATED this 18th day of December, 2003.
